Docket Number (Optional)
850063.603RI

As a below named inventor, I hereby declare that:

My residence, mailing address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in patent number 6,269,352, granted July 31, 2001, and for which a reissue patent is sought on the invention entitled LOW-VOLTAGE, VERY-LOW-POWER CONDUCTANCE MODE NEURON, the specification of which

☐ is attached hereto.

☒ was filed on July 31, 2003 as reissue application number 10/631,323
and was amended on July 31, 2003.
(If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☐ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:

This reissue is a broadening reissue. The claims are unduly limiting because of the recitation of "neural" in the preamble.
